4 discarded gun, the agency shall report such seized or recovered gun to
5 the criminal gun clearinghouse as soon as practicable, but in no case
6 more than twenty-four hours after the agency has taken possession of
7 such gun. Every report made to the criminal gun clearinghouse will
8 result in the prompt submission of a request to the national tracing
9 center of the bureau of alcohol, tobacco, firearms and explosives to
10 trace the movement of the subject gun and such federal agency will be
11 requested to provide the results of such a trace to the superintendent
12 of the division of state police and to the law enforcement agency that
13 submitted the clearinghouse report.

14 ~~5. [In any case where a state or local law enforcement agency investi-~~

26 gun trace reports among all law enforcement agencies in the state on a
27 reciprocal basis.

28 7. (a) Whenever a state or local law enforcement agency seizes or
29 recovers a gun that was unlawfully possessed, recovered from the scene
30 of a crime, or is reasonably believed to have been used or associated
31 with the commission of a crime, or is recovered by the agency as an
32 abandoned or discarded gun, the agency shall arrange for every such gun
33 that is determined to be suitable for test-firing and of a type that is
34 eligible for national integrated ballistic information network data
35 entry and correlation to be test-fired as soon as practicable, and the
36 results of that test-firing shall be submitted forthwith to the national
37 integrated ballistic information network to determine whether the gun is
38 associated or related to a crime, criminal event, or any individual
39 associated or related to a crime or criminal event or reasonably
40 believed to be associated or related to a crime or criminal event.

41 (b) Whenever a state or local law enforcement agency recovers any
42 ammunition cartridge case that is of a type that is eligible for
43 national integrated ballistic information network data entry and corre-
44 lation at a crime scene, or has reason to believe that such recovered
45 ammunition cartridge case is related to or associated with the commis-
46 sion of a crime or the unlawful discharge of a gun, the agency shall, as
47 soon as practicable, arrange for the ballistics information to be
48 submitted to the national integrated ballistic information network.

49 8. Whenever a state or local law enforcement agency seizes or recovers
50 any gun, the agency shall promptly enter the make, model, caliber, and

47 licensee that the transfer of the firearm to such person should be
48 denied. In addition, before delivering a firearm to a peace officer, the
49 licensee shall verify that person's status as a peace officer with the

17 gunsmith or dealer in firearms, or discontinuance of business by a
18 licensee, such record book shall be immediately surrendered to the
19 licensing officer in the city of New York, and in the counties of Nassau

29 it shall have become a law. Effective immediately, the addition, amend-
30 ment and/or repeal of any rule or regulation necessary for the implemen-

32 completed on or before such effective date.
